

## Computing Partnership Grant Scoring Rubrics

	0	3	5
Applicant Information	<p>DISQUALIFIED</p> <p>Applicant failed to provide all requested information.</p>		<p>QUALIFIED</p> <p>Applicant provided all requested information.</p>
Project Summary	<p>DISQUALIFIED</p> <p>Applicant failed to provide all requested information.</p>		<p>QUALIFIED</p> <p>Applicant provided all requested information.</p>
Current Activities	<p>Does not address current computing activities at each participating school. Does not address challenges in offering activities.</p>	<p>Includes some description of current activities at each participating school and the challenges in offering activities.</p>	<p>Clearly describes all current activities at each participating school and the challenges in offering activities.</p>
Collaborations and Partnerships	<p>Provides no description of collaboration with post-secondary institutions, industry/employers, economic development agencies, and/or local Department of Workforce Services</p>	<p>Provides adequate discussion of collaborations collaboration with post-secondary institutions, industry/employers, economic development agencies, and/or local Department of Workforce Services</p>	<p>Provides comprehensive description of collaboration with post-secondary institutions, industry/employers, economic development agencies, and/or local Department of Workforce Services</p>

<p>Project Description</p>	<p>Does not address description of need and goals of the activities. Does not connect activities with increased computing opportunities and classroom learning. Does not incorporate at least 2 key elements.</p>	<p>Some explanation of need and goals. Some description of increased computing opportunities and classroom learning, but lacks direct connection. Adequately incorporates 2+ key elements.</p>	<p>Demonstrates clear and compelling description of need and goals of the activities. Demonstrates how activities lead to increased computing opportunities and integration with classroom learning. Significantly incorporates 2+ key elements.</p>
<p>Sustainability and Next Steps</p>	<p>Provides no sustainability plan.</p>	<p>Adequate description of possible sustainability strategies to address partnership and funding needs.</p>	<p>Provides clear explanation of how the activities will be sustained beyond the grant, including outreach and communication strategy, partnerships, funding.</p>
<p>Evaluation</p>	<p>Baseline metrics template is not complete.</p>	<p>Baseline metrics template completed but does not address all appropriate measures and/or is not reasonable.</p>	<p>Baseline metrics template is complete for all measures within sections appropriate to the applicant activities. Recorded metrics are reasonable to be accomplished.</p>
<p>Deliverables and Outcomes</p>	<p>Provides no description of deliverables to be created through grant funding.</p>	<p>Provides adequate description of deliverables.</p>	<p>Provides robust description of all deliverables, with direct connection to grant funding.</p>

Budget Description	Budget template is incomplete and/or narrative does not provide description of the use of each line item amount toward goals and deliverables.	Budget template is completed. Narrative provides some description of how each line item amount will be used to attain activity goals and project deliverables.	Budget template is complete and narrative describes clearly how each line item amount will be used to attain activity goals and project deliverables.
Timeline	Timeline template is incomplete and does not support stated objectives.	Timeline template is complete and seems to support stated objectives, but needs additional detail.	Timeline template is complete with major activities, tasks and their completion quarter outlined. Timeline is well conceived and clearly supports stated objectives.
Letters of Commitment	DISQUALIFIED  Applicant failed to provide letters of commitment from all funded partners.		QUALIFIED  Applicant provided all requested letters.
Approvals	DISQUALIFIED  Applicant failed to provide a completed Approval Sheet.		QUALIFIED  Applicant provided Approval Sheet with all required signatures.
