

Let's talk about routines...
first, then,
next, after,
before

Let's talk about counting
and comparing...
how many,
more, less

Let's talk about shapes...
circles, triangles,
rectangles

Let's talk about placement...
above, below, next
to, under, behind

Let's talk about estimating...
how many, how
long, where, when

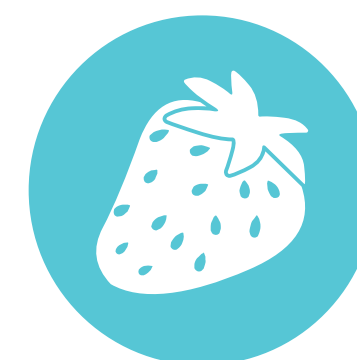

Let's match...
one for you,
one for me

Let's describe...
long, narrow, wide,
slender, short, round

Let's talk
about classifying things...
some
different

Mealtimes are filled
with Everyday
Language and Math
Learning
Opportunities
