

For each of the flowers below, you and your partner are to create two different designs that might be used to pollinate the flower. Test your designs to see which one you think might work best.

Flower: Jack-in-the-Pulpit

Jack-in-the-pulpit Bucket orchid

Design #1
Draw a sketch of your hand pollinator design. Label all the parts

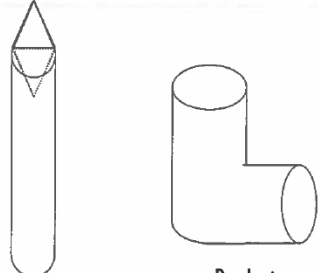

Design #2
Draw a sketch of your hand pollinator design. Label all the parts

How much pollen did it pick up?
A Lot A Little None

How much pollen did it drop off?
A Lot A Little None

How might you improve your design?
