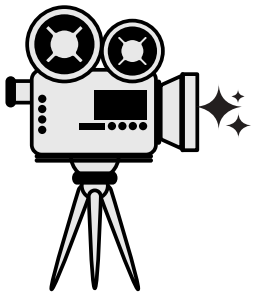
Name(s):



Stop Motion--Brainstorming and Planning Sheet

What is the question are you answering?

_____

_____

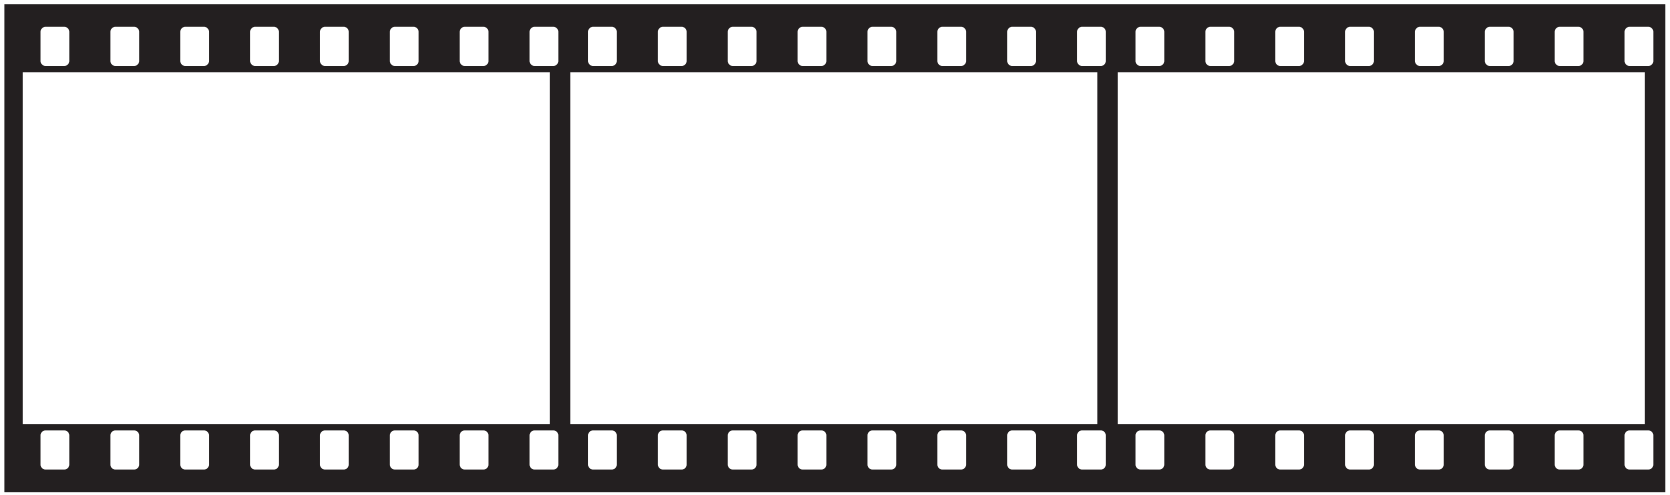
In one sentence explain the answer to that question.

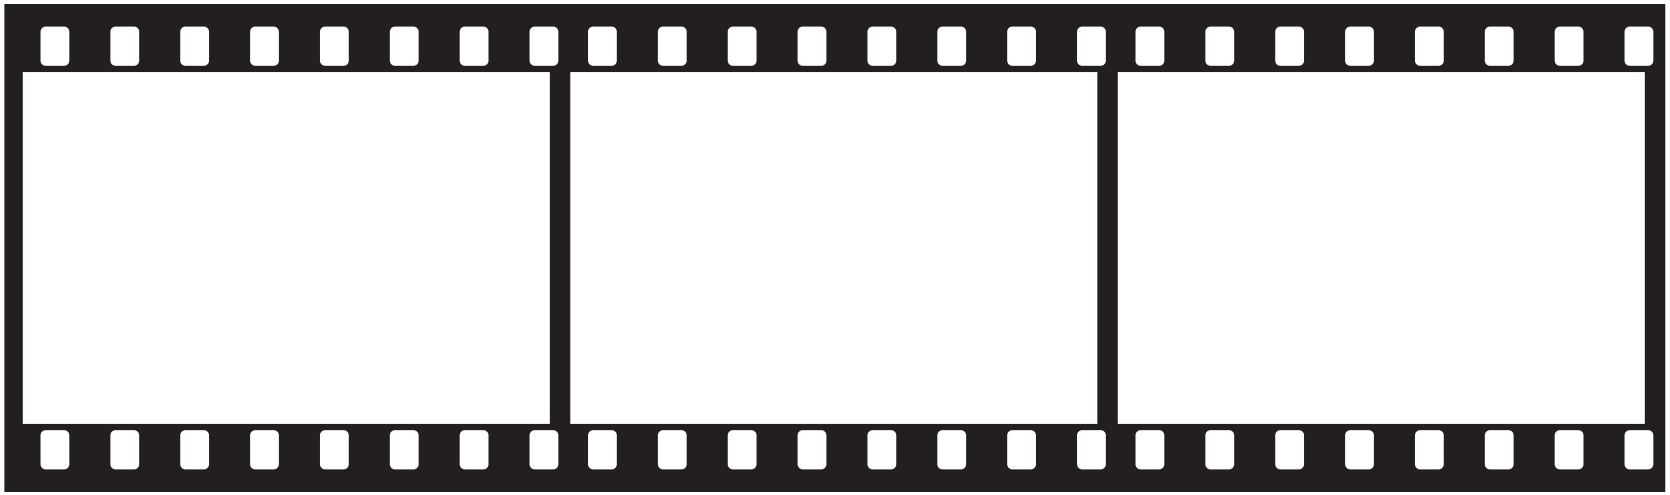
_____

_____

_____

Brainstorm up to 6 key ideas or main points that might help answer the question above. Think about important facts and things that are interesting.

Now circle the main points you want to incorporate into your Stop Motion Animation.




Make a quick sketch and short description of the sequence your animation will follow.
